Notes:

1. The Labour Force Survey collects data on the Saskatchewan civilian, non-institutional, off-reserve population. Beginning in April 2004, questions were added to the survey allowing for the self-identification of Aboriginal identity for Saskatchewan respondents.
2. The North American Indian and Métis categories are single responses only. 'Other' is omitted due to insufficient responses.
3. All data in this table are three month moving averages, ending in the month specified in the table. For example, the data for July are an average of the three months ending in July (May, June and July)
4. Caution should be used when interpreting results. Small sample sizes can result in large standard errors.
