Notes: Boundaries are as of January 1 of the Census year in question.

Census Subdivision (CSD) designations (Cities, Towns, etc.) are as they existed for the 2011 Census except where they were dissolved prior to that Census, then the designation refers to the Census in which they last existed.

Population counts are not adjusted for under counting.

A - Denotes a Census Subdivision that did not exist for that Census. Populations would be included with adjaced CSD.
